

PUBLIC NOTICE

HB 1641

As part of legislation enacted by the Virginia General Assembly in 2020, Dominion Energy Virginia (Dominion Energy) is required to conduct a "...survey identifying all private wells and public water supply wells within 1.5 miles of any coal ash pond..." (Virginia House Bill 1641).

Dominion Energy is required to submit the results of this well survey to the Virginia Department of Environmental Quality by October 1, 2020.

In addition to reviewing Virginia Department of Health records and other public information, in mid-August **Dominion Energy will send letters to all property owners within the 1.5 mile areas requesting information about the water source serving the property. If you receive this letter, please respond as requested by September 4, 2020.**
