Unexpected Autumn Adventures

By Orange County Tourism Contributor

The Barboursville Vineyards. Photo by Barboursville Vineyard

2020 is a year of broadened horizons—albeit the skyline is closer to home. Whether you've been hitting the trails on a new bike or honing your ukulele skills, you've embraced the unexpected. In keeping with your journey, this installment of WanderLove highlights unexpected autumn adventures around Orange County.

If you've been working hard as a home educator or impromptu hairdresser, take a well-deserved break and step into history by taking a tour at James Madison's Montpelier. Enjoy the crisp autumn air and fall foliage as you wander around Madison's property while learning about his personal and professional life as America's fourth President. Held on the grounds of James Madison's estate, several different options of tours are available which will feature a little bit of everything. Outdoor Tours are offered Thursday-Monday from 10am-2pm. All-access tours and lectures share fresh perspectives on colonial history. Whether you're escaping Zoom or educating your offspring, escape into the past while still being present.

If you love treasures from the soil, but you're short on time, Barboursville Vineyards' Annual Truffle Feast is your gastronomic go-to. **This four-course dinner, held at Palladio on November 14**, pays homage to the fabulous fungi. Harvested in autumn, the truffle is notoriously difficult to cultivate. But with proper care, black Périgord truffles, native to Europe, thrive in Virginia's soil. Swirl your favorite vintage and savor gourmet fare in style. Then stroll back to the 1804 Inn for a warming nightcap and your fuzzy slippers.

If farm-to-table cooking sparks an interest in sourcing your own food, Rounton Farm's Hunting 101 paves the way. Held on a 300-acre farm, their hunting courses are half and full-day adventures like no other. From safety sessions to expertly-seared venison, Rounton turns a first-timer into a faithful hunter. If you're skittish about fresh game, Skeet Shooting sessions are equally satisfying. At day's end, the guest cottage, with its fireplace and cozy nooks, is a true seasonal treat.

Turn over yet another new leaf in Orange County this season. Adventures off that well-traveled path are the best reasons to roam.

Resound

November 14 at 7:30pm • \$25

Richmond-based, Resound believes that God brought them together around a kitchen table. The three singers Jessica, Joseph, and Mariah had known each other for years before one day having an informal rehearsal and

creating their first “arrangement.” Little did they know, this would lead them to a career of creating and arranging music together.

The Sharpe Family Singers

December 19 at 7:30pm • \$35

Led by Broadway-star parents, Ron & Barbara Sharpe, this group has over 3 million followers on TikTok, a recent appearance on ABC's Disney Family Singalong, and YouTube beating down their door to become the next biggest stars. This incredibly talented family is fast-becoming one of the world's most recognized singing groups! Thank you to our sponsors: Dr. William Grant and Karen Grant.

Seldom Scene

January 16 at 7:30pm • \$38

Popular for multiple decades, this Grammy winning group was instrumental in starting the bluegrass movement. The Seldom Scene has not only talented musicians, but also a signature sound, a solid repertoire, and a sheer sense of fun! Their show includes versions of country, rock, and pop.

Orange County Receives \$2 Million in Cares Act Funding for Wireless Hotspot Project

Press Release

Orange County receives \$1,999,620 from the Commonwealth of Virginia for broadband funding pursuant to the federal Coronavirus Aid, Relief, and Economic Security Act (CARES Act) for a wireless hotspot project.

The hotspots are an innovative solution that provides access to free Wi-Fi for students, small business, teleworkers, and residents. The grant award will help Orange County build thirty-one (31) miles of optical fiber and rapidly deploy a county-wide network of Wi-Fi hotspots that will place 5,791 homes within two (2) miles of a free Wi-Fi hotspot. Over 1,600 of those homes will be less than one (1) mile from a hotspot. The thirty-one (31) miles of fiber will pass 555 homes that will be able to receive fiber to the home connections in 2021. The Wi-Fi hotspots are being placed throughout the county in partnership with over a dozen community facilities includ-

ing churches, parks, and fire stations.

Orange County Administrator Theodore L. Voorhees noted, "The wireless hotspot project provides a viable and timely solution to Orange County citizens struggling with internet connectivity. We appreciate this generous grant from the Commonwealth which will free up local dollars to make fiber connections to residents beginning in 2021."

The County will complete the project through a partnership with the Orange County Broadband Authority, and its operating entity, FiberLync, utilizing existing contracts to begin construction immediately. The project must be completed by December 25, 2020 to comply with the CARES Act funding guidelines.

For further information, please contact Stephanie Straub, Public Information Officer at sstraub@orangecountyva.gov or (540) 672-5407.
